

## Discover Microsoft Fabric

### Cloud Enablement Services – Microsoft Fabric Technical Workshop, Technical Walkthrough and Self-Paced (On-Demand) Class

Join your TD SYNnex and Microsoft team for an immersive journey into Microsoft Fabric, the Software-as-a-Service (SaaS) solution revolutionizing data analytics. Integrating Azure Synapse Analytics, Azure Data Factory, Azure Databricks and Azure Machine Learning in OneLake, Microsoft Fabric simplifies data management and analysis.

Microsoft Fabric delivers cost-effective, optimized resources in shared compute capacity with autoscaling features. It provides real-time insights for efficient data analysis and robust governance with centralized security management, ensuring your data is secure while unlocking its full potential.

#### Benefits for attending:

- Introduction to Microsoft Fabric
- Licensing and Pricing
- OneLake Foundational
- Data Factory “ETL”
- Data Engineering
- Data Science
- Real-Time Analytics
